

Celebration Sunday

These are exciting times at Crossbridge as we move into The HUB, our place to do church 6 1/2 days of the week. With our new ministry facility built, we will still be at the YMCA on Sunday mornings, but now have a central "hub" for ministries and activities to happen out of. As we celebrate this great next step for Crossbridge, we also wanted to look back at the last 6 1/2 years and how God's hand has been directing our steps as a church. While at the same time, begin to look forward at the potential Crossbridge has to transform even more lives as we pursue the mission He has given us. We hope you enjoy reminiscing through this service, feel a sense of accomplishment as we celebrate, and find yourself challenged that our greatest days as a church and as individuals are still ahead.
