Quick take on

I've been married 5 years to Gina and have one beautiful daughter, Brielle. I love playing music, woodworking, lifting, and tinkering with electronics projects. I am one of five children, and one of 34 grandchildren (both sides).

By the way

I love to workout.

Okay, I'll admit it

Trevor Gremaux isn't so bad once you get to know him.

Nobody knows

My right foot is slightly longer than my left.

Quick newsflash

Shhhh, please keep this a secret

I worked for the CIA.

Other than work

Building things from wood, lifting weights, running and biking.

I hope heaven includes

All the free rough cut lumber I can use and the most beautiful wood shop I can imagine.

Best childhood memories

Growing up on a small farm with a great family, chopping wood with my dad, fishing with grandpa, riding my bike all around the country side with my best friend.

I'd like to say to the people of Crossbridge

Figure out what you love to do and find a way to get paid for it. Then you'll never have a bad day.

Faves, raves and obsessions

Pie, The Matrix, and Martin guitars. Did I mention, pie?
