

Trevor Gremaux

Youth Pastor

Born there, lived there, visited there

Bluffton, New Haven, Hawaii.

Quick take on

Ultimate frisbee is the best sport.

Okay, I'll admit it

I may be addicted to League of Legends, Mountain Dew and board games.

Just the facts

Above all I love being an influence in teens lives when most people don't want to be around them.

Other than work

My wife, Courtney, and I love to be adventurous whether that leads us to sky diving or snorkeling in Australia. We love to see the world and experience all it has to offer.

I hope heaven includes

Nonstop techno music with God as DJ.

Best childhood memories

I played a lot of chess as a kid and went to 4 state chess tournaments. In high school, my favorite memories would be the marching band competitions. I liked the thrill of the big stage. Drumline is superior to all the other instruments. . . Just saying.

Family life and partner in crime

Courtney and I met at Huntington University and got married right after graduation. I'm thankful she takes part in the youth ministry and covers many of my weaknesses! She's the best! =D

Things I'd rather not live without

Candy and fun.

Good verse to live by

"But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect" — 1 Peter 3:15. This is just a good example of how we're supposed to live our lives as Christians. We should be and exemplify hope, and then be able to share, with love, why we have that.

No thanks, I'd rather not

Do anything that resembles real work. :D
