

Get To Know Piper Cohen:

What are your principal responsibilities at c3?

I am the Children's Director of Bridge Kids. I partner with parents and families and equip volunteers to teach our kids about Jesus. There is nothing more precious than when children understand how much Jesus loves and wants a lifelong relationship with them.

Born there, lived there, visited there:

I was born in Saranac Lake NY, and grew up in Glens Falls, NY. I've lived in several states, but the Midwest is where I call home. I have cruised the Caribbean, served on a mission trip to Haiti, spent my 25th anniversary in Costa Rica and took a family trip to Hawaii.

Fun facts about me:

My Master's degree is in Deaf Education, so I know sign language. I like to sign to worship music! My Dad was in two Olympics, so I got to go to the 1980's Olympics in Lake Placid NY.

I Hope Heaven Includes:

The ability to FLY! I hope there's cheese popcorn (that's my favorite snack). I also can't wait to be reunited with everyone that has gone before me. I hope they are waiting when I arrive to give me the tour! 

Okay, I'll admit it (hot take of yours):

I love watching Call The Midwife on PBS. I cry during every episode.

Other than work, I enjoy:

Thrifting at Flea Markets. I love to find something that someone no longer needs and turn it into something cool! I also love to cook, travel and hike.

Family life and partner in crime:

I have been married for 30 years to Harry Cohen. We have 3 adult children: Lane (25 years old), Gage (23 years old) and Bryn (19 years old) We also have a Cockatiel named Syd.
